To Whom It May Concern,

Mister Dawit Shibabaw Bogale attended the African Computer Vision Summer School (ACVSS) 13-23 July 2025, at the African Institute for Mathematical Sciences (AIMS), Sector Remera, KN3 Kigali, Rwanda.

The 10-day event featured a series of master classes and with leading computer vision experts. The curriculum included: 8 lectures, 8 practicals, 8 keynotes, 4 mentoring sessions, a hackathon, a poster session and additional events.

During the summer school, participants were working from 9:30am to 6pm, covering around 7hrs of working time per day over 10 days (14-23 July) except for mornings of 18/07 and 23/07 having planned activities.

Overall, the summer school totaled 64 hours of training.

Per day breakdown is as follows: 14/07: 7h ; 15/07: 7h ; 16/07: 7h ; 17/07: 7h ; 18/07: 4h ; 19/07: 7h ; 20/07: 7h ; 21/07: 7h ; 22/07: 7h ; 23/07: 4h.

More information on the African Computer Vision Summer School, including updated schedule, is available at <https://www.acvss.ai>. If there are any questions or further information that we can provide, please do not hesitate to contact us at acvss@googlegroups.com or any of the organizers below directly.

Sincerely,

Organizers of the 2025 African Computer Vision Summer School
